

Peterson studios

Located in the Old Town of Oakley, Peterson Studios has been in business at this location since 1977.

Alan and Lynn Peterson have had the studio open at various periods over the last decades. They now are committed to developing an art studio where art classes, artists in residence and quarterly art shows will promote and support the vast creativity held in the east bay. Their mission is to assist artists who seek beauty by providing a space to work, learn, display and create fine art. For more information on these opportunities please call the studio at 925-625-0514.

The world is always ready to receive talent with open arms.
